Yaseen Khatib

Full Stack/Software Developer

I have over 2.5 years of experience as a Software Developer and Full-stack Developer, with a primary emphasis on web portals and backend REST APIs, including a strong proficiency in ASP.NET REST APIs. My background includes working on various React projects and excelling in freelance Full-stack Development, showcasing a versatile skill set across different technologies and a passion for UI/UX design.

BE(Computer Science and Eng.)
D. Y. Patil College of Eng. and Tech.

08/2021   *kolhapur*

Courses

- Computer Science and Eng.

Diploma(Computer Science)
D. Y. Patil Polytechnic

03/2018   *Kolhapur*

Courses

- Computer Science

SKILLS

ReactJs · Redux · Redux Toolkit · Javascript · HTML · CSS · Bootstrap · ASP.net · Windows Services · Express Js · MongoDB · SQL · Firebase

PROJECTS

WaveChat (08/2023 - Present)

- **Tech Stack** : WaveChat leverages a tech stack that includes React for the frontend and Firebase for the backend.
- **User Flow** : Users can sign up, create profiles, and log in to access the app's features. Firebase Firestore stores user data, while Firebase Storage manages profile pictures.
- github

Hospital-api (06/2023 - Present)

- **Tech Stack** : The API is built using Node.js, utilizes MongoDB for data storage, and is powered by Express.js for the web framework. JSON Web Tokens (JWT) are used for authentication.
- **Hospital API** : Designed for managing COVID-19 patient data and reports, this API facilitates patient registration, report creation, and status-based report retrieval.
- github

Text To Speech (04/2023 - 05/2023)

- **Text-to-Speech Web App:** This web application allows users to input text and converts it into speech output, offering the functionality to control speech playback.
- **Tech Stack:** The application utilizes HTML, CSS, and JavaScript to build the user interface and enable interactivity.
- **Voice Selection:** Users can choose from different voices and languages using a select element, making the speech output more customizable.
